## What is Pro-Badge?

It is Cub badge courses run by qualified volunteer leaders. Pro-Badge is the perfect place to improve your Cub skills through games and activities with Cubs from all over the County. Camp without your parents and leaders, meet new friends, and catch up with old friends. You will have an awesome time! Are you up to learning new skills and joining in the challenge?

## Where do you sleep?

Cubs sleep in Lyons Lodge, this is a comfortable heated building with rooms of 4 and 8 bunks.

You will need to bring your sleeping bag, pillow and cuddly toy.

## What else will I get out of the weekend?

More nights to add to your Nights Away badge.

Maybe even a hike to add to your Hikes Away badge.

You will be taking part in fun activities, playing games and a campfire.

## Cost

The cost for Cub Scout courses is £45.00 per weekend. This will be reduced to £40.00 if paid in full to Pro-Badge at least two weeks before the start of the course. The price includes all materials, food and accommodation for the weekend.

**COME AND HAVE LOTS OF FUN**

## Our Adventure Challenge

Involves taking part in two adventurous activities and trying six other outdoor activities. Also includes a walk of 1 – 2 hours.

Have you tried water rockets, archery, rope making, or a blind trail?

## Navigator - Stage 2

How not to get lost!

Come and improve your navigation skills.

## Pioneer

Learn the skills needed to build projects from wood and rope. Whose project will fire the furthest, whose will be the largest, and whose will take the most weight? Learn easy and not so easy knots and lashings.

## Environmental Conservation

Learn all about alternative energy and water conservation. Discover how man has damaged our planet and what you can do to make things better.

## Navigator - Stage 3

Improve on the skills you learnt in Stage 2. Learn all about maps (including edible ones) and take part in our hike challenge.

Minimum age 9 years or have completed the Navigator - Stage 2 badge (a pre-requisite)

## Chef and Backwoods Cooking

A double badge weekend. Learn to cook on an open fire and also in a kitchen.
